

# Bankruptcy CM/ECF Release 4.0 for External Users

## Introduction

This document summarizes the changes you will notice when CM/ECF has been updated to Release 4.0. The titles in red indicate what differences you will see based on the type of user you are. There are several other enhancements that will be made available at a later date and we will share those with you when they are ready.

### Internet Browsers - **ALL USERS**

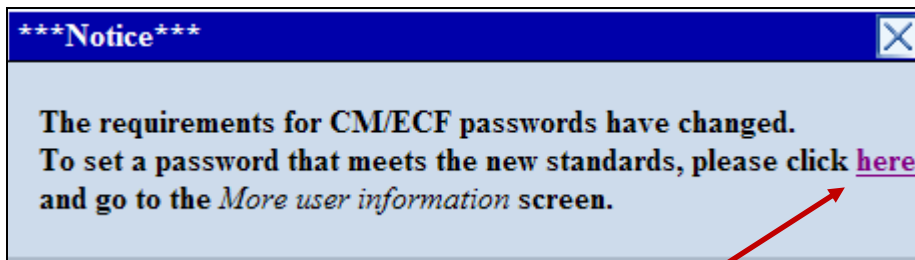

Release 4.0 was tested and works correctly with Firefox 3.5, and Internet Explorer 7 and 8; Mozilla Firefox 2 and Internet Explorer 6 are no longer supported.

### Password Security - **ALL USERS**

Password security has been improved. All CM/ ECF passwords must be a minimum of 8 characters, and must include both upper- and lower-case alphabetic characters and at least one digit or special character [e.g., 0-9, @, #, \$, %, &, \*, +, :].

Additionally, after five invalid login attempts, your account is locked out for a five-minute waiting period. Each subsequent invalid entry increases the resulting lockout period.

The **first time you log in**, you will see the following message if you are able to maintain your own account; if not, a similar message will appear:

Click the link within the message to change your password.

### Maintain Your ECF Account (E-Mail Notification) – **ALL USERS**

The Notice of Electronic Filing has been improved. You now have the option through 'Maintain Your ECF Account' to choose whether you want notification of bankruptcy matters when your appearance is only entered in the Adversary case. You will be prompted to enter your primary and secondary email addresses twice; the address is not saved until the fields match.

### Case Opening – **ATTORNEYS/TRUSTEES**

- Previously, an attorney opening an adversary case was prompted to create an association with the plaintiff in the case. Now, a “Counsel for” selection option appears (if the adversary proceeding is not a complaint) to allow the attorney to indicate which party he represents: if the default “Plaintiff” is selected, the filing attorney is automatically associated with the plaintiff; if “Defendant” is selected, the filer may make the attorney association during docketing.
- During adversary/miscellaneous proceeding filing, the filer was previously always able to add the defendant’s attorney to the case while adding the defendant. Now, the *Attorney* opening the adversary will not be able to add the attorney for the defendant.

### Claims/Creditors - **ALL USERS**

#### Claim Filing – Proof of Claim

- Proof of Claim notices/receipts previously did not show the types of claim amounts requested. Now the amounts provided are as follows: Amount Claimed, Amount Secured, Amount Priority.
- The “File another claim” hyperlink was previously displayed at the bottom of the Proof of Claim receipt. Now the hyperlink has been moved to the top *of the* receipt for easier access.
- The Proof of Claim entry screen text and formatting have been modified to match the b10 form. Additionally, the amount claimed and amount allowed totals are no longer calculated. Instead, the

“Amount claimed” and “Amount allowed” fields constitute the totals of the various amounts claimed and allowed; the user enters the totals in these fields, and no additional total is calculated.

## Claims Activity

- For any closed case, the case closed date is displayed next to the case number on the report output.
- Previously, when a claim was transferred via a Transfer Agreement, the filer to whom the claim was transferred was listed as the filer of the original claim. This was incorrect, and inconsistent with the information displayed on the Claims Register. Now the original filer name is displayed for the original claim, and the filer to whom the claim was transferred is listed for subsequent claim actions.

## Claims Register

- Previously, the “Entered by” field displayed the original filer, even if a more recent claim amendment or part was entered by a different user. Now the “Entered by” field displays the filer of the most recent claim record.

## RSS Feed Technology - **ALL USERS**

We will offer an RSS feed with links to docket sheets and documents. A standard RSS reader is not provided with CM/ECF, but the software supports the readers included with the standard supported browsers. For each activated type, an entry is made to the RSS feed every time a docket entry is made. Clicking on the link displays brief details of recent events in the case,

## Query - ALL USERS

- When a name search is made, additional information is now displayed on the results page to allow a user to select the correct case.
- For each name result, a row of information is displayed to the screen for each case in which that person is involved, as shown below:

## Reports – ALL USERS

### Cases Report

- An option to filter the report by attorney name or Bar ID now appears on the selection screen. When a name is entered, a list of matching attorney names is displayed, of which you may select one or more. Check boxes allow you to search for attorneys by party role: debtors, plaintiffs, defendants, creditors, or all. Alternatively, you can choose to view only cases with pro se filers.

- The report is now limited to a range of 31 days. This prevents internet users from unintentionally requesting a large data set, which would result in an unnecessarily large PACER fee.
- For users who do not have access to sealed cases, limited sealed case information is displayed on the Cases report. This report displays the case number, entered and filed dates, office, and generic case title text according to case type: "SEALED" for bankruptcy cases, "SEALED v. SEALED" for adversary and miscellaneous proceedings. Note that the fields displayed are the only fields by which sealed cases

may be filtered; if other search filters are used (e.g., chapter, judge), those filters will not affect which sealed cases appear on the report.

## Docket Activity

- The report is now limited to a range of 31 days. This prevents internet users from unintentionally requesting a large data set, which would result in an unnecessarily large PACER fee.

## Docket Report

- The county of residence is now displayed along with the address information on the report output for debtors and joint debtors.

## Miscellaneous – ‘Enter’ Key Function – **ALL USERS**

If you wish to use the keyboard rather than the mouse, pressing the Enter key now gives the same result as clicking the button that submits the screen. Pressing the space bar also works if the focus is on the button that submits the screen.

**Note:** This key action was previously available on a number of screens throughout the application, but has been enhanced to be available on all screens.

## Noticing – ALL USERS

- The BNC Certificate of Notice now includes all entities selected as form recipients who received a Notice of Electronic filing through CM/ECF, along with the date of electronic notification and the entity's name and email address. Additionally, the BNC file now contains an email address (of the debtor's attorney, or of the debtor if pro se), so that the BNC may email the bypass list.

## FEES/PAYMENTS DUE - ALL ATTORNEYS and TRUSTEES

### Internet Payments Due

- Previously, when an internet payment was made, all fees incurred up to the time of payment had to be paid at once. Now you may choose to pay some or all of the fees in a given transaction and by various forms of payment.
- To avoid problems with pop-up blockers among various browsers, the pop-up window previously generated by a pay.gov transaction is now displayed as a panel. This panel appears as a part of the original application window, so it is not affected by pop-up blocker settings.
- On the "Internet Payments Due" screen, all outstanding fees are displayed, along with a check box for each fee. To select the fees to pay, the user should check the boxes next to the desired fees, then click the *Next* button.

## **Tracking Filing Fee Balance – ATTORNEYS AND TRUSTEES**

- In previous releases, there was no way to track the balance due when a filing fee was paid in installments. Now, for pending cases, the outstanding filing fee balance is tracked in CM/ECF. **(NOTE:** This is applicable only for cases that are opened after upgrade to Release 4).
- A new “Filing Fee” selection is available from the main Query output screen. For bankruptcy cases, this option displays a screen listing the filing fee amount, details on any payments that have been made, and the outstanding balance due. An additional section displays any related adversary proceedings with deferred filing fees.
- For adversary and miscellaneous proceedings, the “Filing Fee” query displays the case opening fee and the balance due (if the filing fee was deferred).
