

UPGRADING YOUR PACER ACCOUNT

The next generation (NextGen) of CM/ECF provides a new logon module that allows you to use your PACER account to access PACER and any NextGen court in which you are allowed to file. To activate this feature, you must have an upgraded PACER account. If your PACER account was created prior to August 2014, you must upgrade it following the steps listed below. As courts move to NextGen CM/ECF, you will also need to link any existing CM/ECF e-filing accounts in these courts to your upgraded PACER account (see *Linking your CM/ECF Account to your Upgraded PACER Account (Bankruptcy and District courts)* or *Linking your CM/ECF Account to your Upgraded PACER Account (Appellate courts)* for instructions).
